**HOME-START SOUTH HAMS**

Home-Start South Hams will require your agreement to carry out an enhanced criminal record check from the Criminal Records Bureau before you can be matched with a family. This will include details of cautions, reprimands or final warnings as well as convictions and spent convictions. The nature of the work with Home-Start is such that it is exempt from the Rehabilitation of Offenders Act 1974. But having a police record does not necessarily mean you cannot do voluntary work for Home-Start. You must declare any convictions that occur after completion of the Criminal Records Bureau form and throughout the duration of your involvement with Home-Start. Any information will be kept confidential by the Projects Manager and Coordinator and will not be disclosed without your permission.
